1. Authors emailid and affiliation missing. 2 corresponding author must be marked. 3 methodology seems fine. 4 table and figure must be numbered. 5 results demonstration required. 6 cite all references in text.

Reviewer-2

Paper is nice but it requires restructuring as follows:

1. The paper must be started with introduction section including motivation, main contributions and organization of paper.
2. Literature review section is missing/can be extended.
3. Proposed methodology includes a flow chart describing complete proposed work, algorithm, dataset information
4. results and discussion section includes the results of the proposed method and its related discussion
5. comparison with existing literature must be included\

6. the paper ends with a conclusion with limitation of work and future scope
7. Figures are rarely visible; please make it more bigger and visible.
8. Algorithm must not in figures
9. Language must be improved.
10. The paper limit must be within 12 pages. (no more than 12 pages & a minimum of 8 papers)
11. Avoid snapshot as results; it should be in graph form.
